Lookback Deadline Extended for Medicaid Home Care

IMPORTANT UPDATE:

The previous Medicaid deadline for home care and the transfer of assets has been extended from October 1, 2020 to April 1, 2021.

In light of the current Public Health Emergency, it has been deemed that NYS cannot begin requiring the lookback and imposing transfer penalties until April 1, 2021. Once it is implemented, however, presumably assets transferred since Oct. 1, 2020 will still be subject to the lookback.

With that said, if someone transferred assets after Oct. 1, 2020, they have extra time until April 1, 2021 to submit an application seeking eligibility for home care .. with no lookback or transfer penalty.

As we get more information about this, we will update you accordingly. If you have any questions regarding this or any Medicaid matter, please contact our office at 516-797-0601 to discuss.

Thank you and our sincere regards,

Elaine, Sharon, Colleen, Maripat, Lisa and all of us at **Metro ElderCare Agency.**
